Did you know?

A Business Improvement District (BID) is a business-led, not for profit organisation formed to improve a defined commercial area such a town or city centre.

BID's are 100% funded by local businesses and enable coordinated investment into an area to deliver projects and services which are in addition to those already provided by Councils.

Sutton Coldfield has held BID status for 12 years and our Business Improvement District is 'Visit Royal Sutton Coldfield BID'.
